(Ziggy, and Iffy)

Bring your family for dinner at EJ's Pizzeria to enjoy some delicious pizza and to help Ziggy Jones and her family. Ziggy and her youngest son, Iffy, have both been battling cancer. Thankfully, Ziggy is in remission but Iffy continues his battle with Lymphoma. Come out and help to relieve the financial burden that cancer brings. EJ's will contribute 15% of all proceeds back to the Ziggy Jones Benefit Fund. We will also have a Silent Auction of Iffy's very special art work. Don't miss it!
